

JUNE 1943

NEWS

49

POST EXCHANGE, MAC DILL FIELD

55

Alterations to the existing post exchange at a Florida air base, designed by architects and engineers in uniform . . . a fine solution produced with limited means.

WASHINGTON STATLER

61

First metropolitan hotel to be built in more than a decade, the Washington Statler continues a successful tradition and introduces a number of innovations in planning, design and operation.

HOUSE PORTFOLIO

77

A medium-sized house by Walter Gropius . . . two traditional houses . . . a simple, clean design for an Oregon bungalow . . . plans, pictures and construction outlines.

BRANCH LIBRARY, CHICAGO

86

A good-looking small library building in which modern design has contributed to both the utility and the economy of the solution and has attracted additional readers.

THE PREFABRICATED HOUSE

89

Chapter 6: "Reengineering," the measure of progress. An analysis of some of the most advanced systems of prefabricated construction, of widely varying types. The concluding chapter in the series.

SEVEN COMMERCIAL UNITS

97

A new store block comprising seven separate stores and offices, designed and built as a unit but with a considerable degree of individuality. Douglas Honnold and George Vernon Russell, architects.

FORUM OF EVENTS

2

Young designers produce economical new furniture under wartime restrictions . . . Old designers who solved contemporary problems three quarters of a century ago . . . Announcements . . . Appointments . . . Obituaries.

PRODUCTS AND PRACTICE

6

Cooling with heat—a new gas-fired summer air conditioner and winter heater for residential use . . . plastics from redwood . . . technical news . . . new products . . . manufacturers' literature.

BOOKS

12

Eliel Saarinen's book on city planning . . . The Latin American Collection of the Museum of Modern Art . . . The Diary of a Housing Manager.

LETTERS

34

NEXT MONTH: Corning Glass Plant . . . William Wilson Wurster portfolio . . . "Township Planning" . . . Prefabrication.

VOLUME 78—NUMBER SIX

SPECIFICATION AND BUYING INDEX

The advertising pages of THE ARCHITECTURAL FORUM are the recognized market place for architects and all others engaged in building. A house or any other building could be built completely of products advertised in THE FORUM. While it is not possible to certify building products, it is possible to open these pages only to those manufacturers whose reputation merits confidence. This THE FORUM does.
