*Metamorphosen stadtnaher Landschaften in Holland*  
Metamorphoses of landscapes near cities in Holland

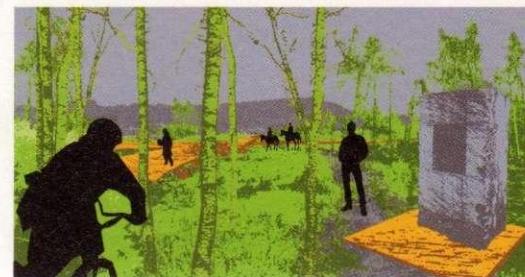

Disused sites as seed-beds for urbanity: urban design proposals for the old harbour in Oslo. Page 6

KEES CHRISTIAANSE 6  
*Die Stadt als Loft*  
The city as loft

Ecological measures and a network of green corridors should turn the industrial site of Porto Marghera in Venice into a green industrial landscape. Page 18

INA HELWEG-  
NOTTROT 24  
*Städtebaulicher Wettbewerb*  
Belval-West, Luxemburg  
Belval-West urban design competition, Luxemburg

Parks or open spaces form the core of each development stage in the winning scheme for an urban quarter in Luxemburg. Page 24

A beach as unusual but attractive open space is to turn the former freight yards into a top location for Augsburg. Page 36

ROBERT GOSTINCAR 46  
*Erneuerung der Altstadt von Maribor, Slowenien*  
Renewal of the old part of Maribor, Slovenia

DOROTHEA WALCH 51
