Undersea Japan. Housing scheme in Redditch competition. Umbrella dome. Cycle umbrella.
- 337 **Books**
- 339 **The story of Munich?**  
Edmund Happold and Michael Dickson review *Zodiac 21* and the 1972 Olympic stadia.
- 345 **DFW/Airport as big as Manhattan**  
Jonathan King and William Cannady provide a photo-crit of Dallas Fort Worth Airport.
- 350 **Chandigarh twenty years later**  
Hartmut Schmetzer and Patrick Wakely work at the Development Planning Unit attached to University College, London. Here they run the Extension Service which organises in other continents short courses on Housing in Urban Development. Their Chandigarh article is the result of one of these courses.
- 362 **Chandigarh! sociological issues and urban development in India**  
Sehdev Kumar Gupta, assistant professor in the Dept of Man-Environment Studies at the University of Waterloo in Ontario, has a completely different and more intimate view of Chandigarh from that of Schmetzer and Wakely, and discusses its problems and failures against the background of his native India's way of life.
- 369 **Housing case-study in Brazil: Guararapes**  
Harriet Edgerley describes the growth of a one-time *favela* in Rio as an example of low-cost housing problems in Brazil. She also explains how the National Housing Bank (BNH) is the controlling organ in housing.
- 373 **Taking to the streets**  
A review by Pamela Parkinson of design and environmental education for children, both inside and outside school.
- 377 **Collective design: lightness of touch**  
Peter Smithson adds to the Collective Design series which began with 'Initiators and successors' (AD 10/73) and continued with 'The violent consumer . . . or Waiting for the goodies' (AD 5/74).
- 379 **Planning**  
Two articles by Robin Thompson about the implications of the recent reorganisation of development plans and local government in England and Wales.
- 385 **Round-up**
- 392 **Catalogue**  
Outside contributor, Alex Pike
