75 Sacred Places, Sacred Occasions and Sacred Environments Amos Rapoport

An examination of the significance of the term 'sacred' and the bearing this has on the creation of place, the relationship of place and occasion and how this relationship influences the organisation of space, time, meaning and communication.

Animated Architecture

Guest Editor: Derek Walker The profile celebrates the regard and respect many architects feel for the Disney philosophy and management skills. It indicates a homage by Derek Walker and outlines the first 'British' manifestation of the theme park as a new town dedicated to leisure by Group Five.
