

© Nick Merrick/Hedrich Blessing

Perkins & Will's new International Terminal at O'Hare serves as an icon for the spirit of travel (page 116).

Next month

Building features include the new cathedral in Managua, Nicaragua, by Ricardo Legorreta, the Maryland State Library for the Blind by Ayers Saint Gross, and a report on the renewal of Culver City, California by Eric Owen Moss.

Building Types Study 718
Facilities for Retail

Also in July

- Airport Noise Control
- Construction and financial outlooks
- Packing a complex research/medical program on a tight site

Chicago O'Hare International Airport
Chicago, Illinois 116**

*Perkins & Will, Architects and Engineers
Heard & Associates, Ltd. Architects*

Focus on Infrastructure 124

All the projects shown here were designed for utilitarian purposes, but they show an unusual sensitivity to the end-user—the public who paid for them.

THE PROFESSION 35

Coping With Natural Catastrophes (Agenda). The Computer As Presentation Tool (Computer Delineation Awards). Primavera Goes Graphical (Software Review). Hayes New Superfast Modem (Peripherals Review). Tile and Stone Mosaics (Products).
