Features

- 50 **America's Best-Managed Firms: How to Succeed with Expanded Services**
In the new, relationship-oriented architecture, staying with a client beyond design and construction by offering expanded services is proving to be very lucrative.
- 56 **Construction Aims at a Steady Pace for '98**
Offices and schools are leading construction starts in a slower-growing but steady economy.

Projects

- 68 **Commerzbank, Frankfurt, Germany**
An ambitious skyscraper with naturally ventilated skin and gardens in the sky reinterprets the building type as well as benefiting workers and the surrounding city.
Sir Norman Foster and Partners
- 80 **The Georgia O'Keeffe Museum, Santa Fe, New Mexico**
The spare, understated galleries of this museum, carved out of an old church, allow the artwork to take center stage.
Richard Gluckman Architects
- 86 **Le Fresnoy, Tourcoing, France**
A masterful hybrid of old and new construction delivers Bernard Tschumi from his long-held reputation as a paper architect.
Bernard Tschumi Architects

Building Types Study 757

- 103 **Senior Housing: A Quiet Revolution**
Innovative homes for the elderly move away from bleak warehouses toward humane designs for living.
- 108 **Weinberg Terrace, Pittsburgh, Pennsylvania**
Perkins Eastman Architects
- 112 **Three Residential Projects for the Elderly, Holland**
Architectenbureau Wytze Patijn; EGM Architecten; Mecanoo Architects
- 114 **Goddard House, Brookline, Massachusetts**
CBT/Childs Bertman Tseckares

Technology

- 123 **The Alchemy of a New Material** 
Autoclaved aerated concrete, now available in the United States, offers a host of architectural virtues.

Kitchen and Bath Portfolio

- 135 **Eleven Selections**
Family gathering spaces and luxurious private retreats.
