- 55 Interns cheating on reports to NCARB  
57 Focus on the U.K.: A roundup from Great Britain

## Features

- 77 Introduction  
78 Crossing the Pond  
Americans practicing in the U.K. reveal how they play the game.  
86 Making Connections by David Jenkins  
Who begat whom in the U.K. architecture scene. From the '60s elites to the '90s iconoclasts, making all stops along the way.  
88 Dramatic Days for the U.K. by Hugh Pearman  
The London critic sighs with relief that 1980s British stodge has made way for newcomers with appetites for fresh and daring design.  
94 Norman Conquest  
Lord Norman Foster discusses the Reichstag, sustainability, and taking the lead—an exclusive interview with RECORD's editor in chief.

## Projects

- 101 Introduction  
102 The Reichstag, Berlin by James S. Russell, AIA  
Foster and Partners  
Berlin's new capitol, rehabilitated and glass-domed, embodies a people's hope for the future without erasing the past.  
114 Two Projects by Chris Wilkinson, London by James S. Russell, AIA  
Stratford Market Depot and Stratford Regional Station  
Given "half a chance," this up-and-coming architect turned a London Underground train shed into a watershed for his career.  
120 The Next Generation by Rory and Barbara Ann Campbell-Lange  
Birds Portchmouth Russum, Caruso St. John Architects, Foreign Office Architects, Niall McLaughlin, Tony Fretton  
Five short, sharp profiles of the British ones-to-watch.

## Building Types Study 775

- 127 Designing Inclusive Places  
Four hospitals that take care to make room for all.  
128 Doernbecher Children's Hospital, Portland, Ore. by B.J. Novitski  
Zimmer Gunsul Frasca Partnership  
134 Celebration Health, Celebration, Fla. by Beth Dunlop
