Naturstein in Skandinavien
Natural stone in Scandinavia

Axel Nitter Somme
Natural stone decorates the platforms and walls of the bus terminal at the traffic centre in Vejle, Denmark. Page 25

Round stones polished by the sea and slate flagstones cover a new square in Kabelvåg, Norway. The polished granite outlines of historic fishing boats create patterns in the paving. Page 14

Place Saint-Lambert in Liège

RONALD RIETVELD 50
Ein neues Erscheinungsbild für die Innenstadt von Deventer
A new image for the city centre of Deventer

Jacqueline de Sa
The city wall in Thun, Switzerland, serves as a backdrop for the modern materials used in the design of Viehmarktplatz. Page 37

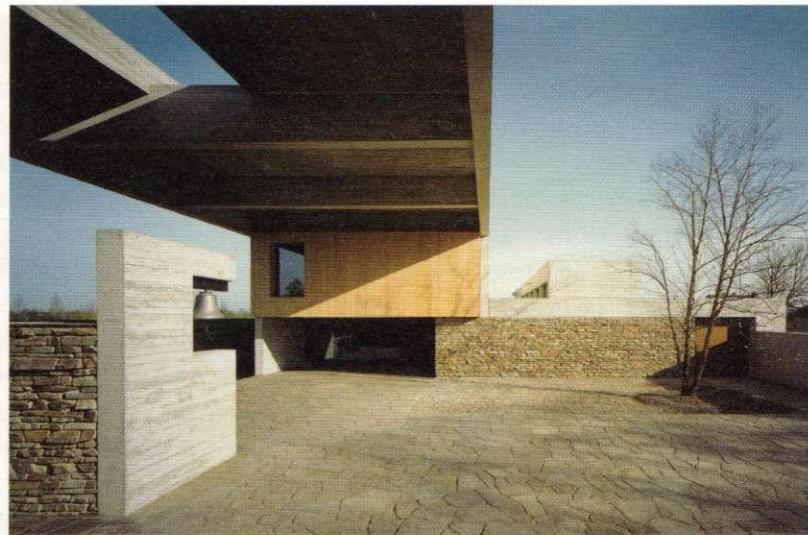

Hans Josten

Students meet on a 63-metre-high flight of granite steps on the campus at Halle an der Saale, Germany. Page 42

LODEWIJK BALJON 58
Naturstein in den Niederlanden
Natural stone in The Netherlands

SONJA MIHALJEVIC 64
PETER LUBBERS
Gabionen in den Niederlanden – mehr als nur ein Trend
More than just a trend: gabions in The Netherlands

Michael Heinrich

Concrete and gneiss dominate in the new chapel and cemetery in Riem on the periphery of Munich. Gneiss is used for the wall enclosing the inner court and for the tiles paving the ground. Page 88

Martin Sauer

Local slate is the primary building material used for rebuilding the Portuguese village of Luz. Page 69

FRANK MEIJER 53
Die Innenstadt von Tilburg, Niederlande
The city centre of Tilburg, The Netherlands

KERSTIN HAUSWALD 69
Neuaufbau des Dorfes Luz in Portugal
A second birth for the Portuguese village of Luz

BURKHARD PAETOW 74
In Lissabon leuchten die Sterne auch am Boden
Lisbon's stars shine on the ground

KARL H.C. LUDWIG 80
SIDÓNIO COSTA PARDAL
Zwischen Funktion und Suggestion
Between function and suggestion

Robert Schäfer

Art and the natural landscape come together in the Borella quarry in the Apuan Alps. The abandoned marble quarry also reveals traces of normally hidden geology. Page 94

PETER ZÖCH 88
Friedhof München-Riem
The Riem cemetery in Munich

ISABELLE VAN GROENINGEN 91
Schiefer-Ammonit im Barnes Wetland Centre, London
Slate ammonite at the Barnes Wetland Centre in London

CHRISTINE DESMOULINS 85
Waldfriedhof in Valbonne
Forest cemetery in Valbonne, France
