fringes

18 TEMPERATURES
OF URBANITY
– *Reinterpreting the
fringe as a dynamic
component of an ag-
glomeration's creativity*

46 OCCUPY THE
DOCKS!
– *From fragmentation
to liveability: The trans-
formation of the Royal
Docks in London*

62 METROPOLITAN
ECOTONE
– *Berlin and its sur-
rounding area: Creating
a new form of urbanity
for a society in transition*

β

TEMPERATURES OF URBANITY

Fringe territories as a field of experimentation
outside the big city cores

Page 18

BETTER ACCESSIBILITY FOR URBANES LAND

The crises of transport and mobility
and the challenges of providing urban access

Page 30

IN CONVERSATION WITH GEORGEEN THEODORE

Beyond the urban cores: How to achieve openness
and diversity in American suburbs through planning

Page 36

A TASKFORCE FOR SUBURBIA

The British Suburban Taskforce and
its goal to identify strategies and policies to
support suburban areas

Page 42

OCCUPY THE DOCKS!

From fragmentation to liveability:
The transformation of the Royal Docks in London

Page 46

BALANCING THE URBAN-RURAL DYNAMICS

Drawing inspiration from the Far East to overcome the
urban-rural dichotomy

Page 54

FACTS & FIGURES

Different forms of spaces

Page 58

IN CONVERSATION WITH ULI HELLWEG

Reflections on how digitalization impacts
urbanization and suburbanization processes

Page 60

METROPOLITAN ECOTONE

Berlin and the surrounding area of Brandenburg:
How to design the metropolis of the future?

Page 62

POLYCENTRIC PORTRAYALS

Max Guthier's hyperrealistic isometric
illustrations of a possible Stuttgart city region

Page 68

IN CONVERSATION WITH ANDREAS HOFER

The artistic director of IBA '27 on how to find a new
definition for the city region of Stuttgart

Page 74

DESIGNING THE HYBRID AND THE FRAGMENTARY

Four participatory planning projects at the fringe
of Italian cities

Page 78

CORRIDOR D8

Non-places and spaces-in-between:
landscapes of logistics along the motorway
