

Curriculum Vitae
KATYA TENTORI
(December 2023)

CURRENT AFFILIATIONS

Center for Mind/Brain Sciences (CIMEC)
Centre for Medical Sciences (CISMed)
Department of Psychology and Cognitive Science (DiPSCo)
University of Trento

Palazzo Fedrigotti, Corso Bettini, n. 31, 38068, Rovereto, Italy
E-mail: katya.tentori@unitn.it, Phone: +39 0464 808631

PROFESSIONAL POSITIONS

December 2020 – present
Full Professor, General Psychology (11/E1, M-PSI/01), University of Trento

October 2016 – September 2019
Deputy Dean, CIMEC, University of Trento

March 2011 – November 2020
Associate Professor, General Psychology (11/E1, M-PSI/01), University of Trento

2005 – 2011
Assistant Professor (“Ricercatore”), General Psychology (11/E1, M-PSI/01), University of Trento

2002 – 2004
Post-Doctoral Research Fellow (“Assegnista di Ricerca”), University of Trento

EDUCATION

12 February 2002
Clinical Psychologist License (D.M. 13/01/92, n. 240), University of Padova

07 February 2002
Ph.D. in Methodology of Research in Psychology, DiSA, University of Genova
Title of dissertation: “Decision Making in Dynamic Environments: An Experimental Study”

21 February 1998
Master’s degree (“Laurea Magistrale”) in Experimental Psychology, University of Padova
Title of dissertation: “Age-Related Effects on Asymmetric Dominance Bias”
Grade: 110/110 cum laude

RESEARCH INTERESTS

Bayesian models of confirmation and information search; inductive reasoning; decision biases; probabilistic models of cognition; causality and causal cognition; forecasting models; applied reasoning and decision making (e.g., legal reasoning, medical decision making, risk communication, and environmental sustainability)

AWARDS AND HONOURS

September 2002
Award for the best Ph.D. dissertation in Psychology, Italian Association of Psychology (AIP) and Rosselli Foundation

February 1998
“Dignità di stampa” for the master’s degree dissertation in Experimental Psychology, University of Padova

PROFESSIONAL MEMBERSHIPS

Scientific Boards

2015 – present: Center for Logic, Language, and Cognition (LLC), University of Torino

Scientific Societies

European Association for Decision Making (EADM); Society for Judgment and Decision Making (SJDM);
Italian Association of Psychology (AIP)

VISITING POSITIONS

July 2019

Visiting fellow – Department of Computer Science, University of Exeter (invited by prof. Costa)

July 2015

Visiting professor – Bristol-Groningen Summer School in Formal Epistemology, University of Bristol (invited by prof. Pettigrew)

July 2010

Visiting fellow – Institute of Philosophy, KU Leuven (Belgium) (invited by prof. Douven)

July–August 2003

Visiting student – Psychology Department, Princeton University (USA) (invited by prof. Osherson)

November–December 2000

Visiting student – Psychology Department, Rice University (USA) (invited by prof. Osherson)

GRANTS AND RESEARCH SUPPORT

Extramural Funding

2023 – 2025

MIUR grant for the project PRIN 2022: “Reasoning with hypotheses: Integrating logical, probabilistic, and experimental perspectives”, role: Local Coordinator and Principal Investigator.

2023 – 2025

MIUR grant for the project PRIN-PNRR: “Boosting human wellbeing with behavioural insights”, role: Co-investigator.

2017 – 2019

EURAC third-party grant (“conto terzi”) for the project “KlimaKit – Drive the change of the energy refurbishment in South Tyrol”, role: Local Coordinator and Principal Investigator

2017 – 2018

Recipient of the “Fondo di finanziamento per le attività base di ricerca” (FFABR 2017 – Associate Professors)

2015 – 2018

DFG grant for the project “Models of Information Search – A Theoretical and Empirical Synthesis”, priority program “New frameworks of rationality” (DFG grant SPP1516, CR n 409/1-2), role: Principal Investigator

2012 – 2014

MIUR grant for the project “Problem solving and decision making: Logical, psychological and neuroscientific aspects within criminal justice” (PRIN, n. 2010RP5RNM_006), role: Principal Investigator

2010 – 2012

MIUR grant for the project “Inductive reasoning: Models, behavior, and applications” (PRIN, n. 20083NAH2L and 20083NAH2L_001), role: National Coordinator and Principal Investigator

2009 – 2010

Recipient of a Marie Curie Intra-European Fellowship (IEF) for the project INDUCT - Investigating Normative and Descriptive Uses of Confirmation Theory (n. 221350 - European Commission)

2006 – 2008

FTU (Fondazione Trentino Università) grant for the project “In the patient's interest”, role: Principal Investigator

2005 – 2007

MIUR grant for the project “Revisione di credenze e scelte in soggetti esperti e non esperti” (PRIN, n. 2005117840_003), role: Co-investigator

2002 – 2005

EU grant for the project “TRUST – Food Risk Communication and Consumers’ Trust in the Food Supply Chain” (project n. QLK1-CT 2002-02343), role: Co-investigator

2002 – 2004

MIUR grant for the project “Linguaggio, categorizzazione e rappresentazione delle decisioni” (PRIN, n. 2002132527_002), role: Co-investigator

Intramural Funding

2021 – 2023

“COVID-19” grant of the University of Trento for the project “Fostering the understanding of diagnostic test results through Cognitive-Artificial Intelligence” (Cognitive-Artificial Intelligence for TESt Results, CAI-3), role: Coordinator and Principal Investigator

2006 – 2008

“SMC Fondazione Cassa di Risparmio di Trento” grant for the project “Inductive Reasoning: Models, Processes and Applications” (n. 40101098), role: Coordinator and Principal Investigator

2002

Travel fellowship awarded by the University of Genova to attend the course “Multivariate Analysis: Research Problems and Practice” – Summer School in Social Science and Data Analysis, University of Essex (UK)

2000

Travel fellowship awarded by the University of Genova to visit the Psychology Dep. of Rice University (USA)

ORGANIZATION OF WORKSHOPS AND CONFERENCES

Program committee member

MST2013 (Models and Decisions, Munich, 2013); *EPSA2015* (The Fifth Biennial Conference of the European Association for Philosophy of Science, Duesseldorf, 2015); *CPR2015* (Causal and Probabilistic Reasoning Conference, Munich, 2015); *RASCAS2017* (Reasoning and Argumentation in Science, Munich, 2017); *BEPC2020* (Bayesian Epistemology: Perspectives and Challenges, Munich, 2020).

Executive committee member

Risk, Decision and Human Error Conference (Rovereto, 2004); *AIP2006* (Italian Association of Psychology National Congress, Rovereto, 2006), *Sixth International Conference on Thinking* (Venezia, 2008); *ECML-PKDD2016* (European Conference on Machine Learning and Principles and Practice of Knowledge Discovery in Databases, Riva del Garda, 2016)

REVIEWING

Ad-hoc reviewer for the following scientific journals

Acta Psychologica; *American Journal of Psychology*; *Applied Cognitive Psychology*; *British Journal for the Philosophy of Science*; *British Journal of Psychology*; *Cognition*; *Cognitive Psychology*; *European Review of Philosophy*; *Giornale Italiano di Psicologia*; *Journal of Behavioral Decision Making*; *Journal of Experimental Psychology: General*; *Journal of Experimental Psychology: Learning, Memory, and Cognition*; *Journal of Mathematical Psychology*; *Journal of Personality and Social Psychology*; *Memory & Cognition*; *Mind & Society*; *Philosophia*; *Philosophy of Science*; *Psychological Science*; *Synthese*; *Thinking and Reasoning*; *Topics in Cognitive Science*

Ad-hoc reviewer for the following scientific conferences

AIP2006 (Italian Association of Psychology National Congress); *CogSci2005* (Annual Conference of the Cognitive Science Society); *MST2013* (Models and Decisions); *EPSA2015* (The Fifth Biennial Conference of the European Association for Philosophy of Science); *CPR2015* (Causal and Probabilistic Reasoning Conference); *CogSci2016* (Annual Conference of the Cognitive Science Society); *RASCAS2017* (Reasoning and Argumentation in Science); *CogSci2018* (Annual Conference of the Cognitive Science Society); *MI21-HLC-2019* (The Machine Intelligence 21 Workshop - Human-Like Computing)

Ad-hoc reviewer for the following funding agencies and institutions

European Research Council (ERC - Advanced grants, European Community); Israel Science Foundation (ISC, Israel); Italian Ministry of Education, Universities and Research (MIUR, Italy); National Science Foundation (NSF, USA); Research Foundation Flanders (Fonds Wetenschappelijk Onderzoek - Vlaanderen, FWO, Belgium); Qatar National Research Fund (QNRF, Qatar)

Ad-hoc reviewer for the following awards

Mazzocco award (University of Padova)

TEACHING

University courses

2021 – present

“General Psychology” (for medical students) (16 hours per academic year, University of Trento)

2011 – present

“Logic and Reasoning” (42 hours per academic year, University of Trento)

2016 – present

“Psychology of Thinking” (63 hours per academic year, University of Trento)

2019 – 2021

“Advanced Topics in Reasoning and Decision Making” (15 hours per academic year, University of Trento)

2011 – 2018

“Psychology of Reasoning in Legal and Clinical Domains” (42/28 hours per academic year, University of Trento)

2013

“Foundations of Cognitive Psychology” (21 hours, in English, University of Trento)

2010

“Psychology of Reasoning” (24 hours, University of Trento)

2005 – 2009

“General Psychology” (64 hours per academic year, University of Trento)

2006 – 2008

“Pragmatics and Decision Making” (20 hours per academic year, University of Milano–Bicocca)

2005

“Intelligence: Nature vs. Nurture” (10 hours, University of Trento)

2002

“Psychology for Careers Counseling” (30 hours, University of Genova)

Tutorials

2018

“Critical Thinking” (8 hours, in English, Sant’Anna School of Advanced Studies)

2002

“Experimental Economics and Cognitive Psychology” (6 hours, University Carlo Cattaneo)

2000

“Statistical Models for Educational Processes” (18 hours, University of Genova)

OTHER ACADEMIC SERVICES

Research advisory and mentoring

Postdoctoral researchers

Alessandro Bogani (CIMEC, University of Trento); Andrea Dissegna (CIMEC, University of Trento); Flavia Filimon (CIMEC, University of Trento); Sarah Placi (CIMEC, University of Trento); Stefania Pighin (CIMEC, University of Trento)

PhD students (PhD degree)

Stefano Fait (Cognitive and Brain Sciences, University of Trento); Marta Mangiaruolo (Cognitive and Brain Sciences, University of Trento); Selena Russo (Psychological Sciences and Education, University of Trento); Tommaso Mastropasqua (Cognitive and Brain Sciences, University of Trento)

Graduate students (Master degree)

Paolo Ghin (Psychology, University of Trento); Lucia Foppa (Psychology, University of Trento); Lorenzo Scott Bertolini (Cognitive Science, University of Trento); Stefano Fait (Psychology, University of Trento); Lorenzo Palamenghi (Psychology, University of Trento); Stefano Boldrin (Psychology, University of Trento); Silvia Stefani (Psychology, University of Trento); Giulia Rodighiero (Psychology, University of Trento)

Undergraduate students (Bachelor degree)

Luca Franchi (Sciences and Techniques of Cognitive Psychology, University of Trento), Silvia Bellini (Sciences and Techniques of Cognitive Psychology, University of Trento), Lara Tomazzolli (Sciences and Techniques of Cognitive Psychology, University of Trento); Laura Bormolini (Interfaces and Communications Technologies, University of Trento, University of Trento); Matteo Pellegrini (Psychology, University of Trento); Mattia Silvestri (Sciences and Techniques of Cognitive Psychology, University of Trento); Elena Bertacco (Sciences and Techniques of Cognitive Psychology, University of Trento); Veronica Zonta (Interfaces and Communications Technologies, University of Trento); Guglielmo Mereu (Interfaces and Communications Technologies, University of Trento); Elisa Infanti (Sciences and Techniques of Cognitive Psychology, University of Trento); Giulia Torboli (Sciences and Techniques of Cognitive Psychology, University of Trento); Giusy Racalbutto (Sciences and Techniques of Cognitive Psychology, University of Trento); Mario Molinari (Sciences and Techniques of Cognitive Psychology, University of Trento)

Doctoral Services

Member of the steering committee of the following PhD programs

2006 – present

“Cognitive and Brain Sciences”, CIMEC, University of Trento

2005 – 2006

“Cognitive Sciences and Education”, DiSCoF, University of Trento

Member of the doctoral dissertation reading committee for the following PhD candidates

Marko Tesic (Psychology, Birkbeck University); Andrea Pittarello (Psychology, University of Padova); Dorina Hysenbelli (Psychology, University of Padova); Patrice Rusconi (Social, Cognitive and Clinical Psychology, University of Milano-Bicocca)

Undergraduate and graduate recruitment

2012 – 2022

Designated coordinator for CIMEC student orientation activities (University of Trento)

2011 – 2012

Designated coordinator for DIPSCO student orientation activities (University of Trento)

Miscellaneous

2021 – present

Designated coordinator for the CISMED library (University of Trento)

OTHER PROFESSIONAL ACTIVITIES

2017

Scientific curation of the exhibition “Unpredictable” (Golinelli Foundation, Bologna)

2001 – 2006

Selection procedure for admission to the following bachelor's degrees: Motor Sciences (University of Genova), Developmental Psychology (University of Genova), Architecture & Design (IUAV)

2003

Communication skills training course for healthcare professionals, S. Camillo Hospital, Cremona

September 1998 – March 1999

Internship in Experimental Psychology, University of Padova (Supervisor: Prof. Carlo Umiltà)

March 1998 – September 1998

Internship in Neuropsychology, La Nostra Famiglia Institute, Bosisio Parini (Supervisor: Dr. Maria Luisa Lorusso)

INVITED PRESENTATIONS

Invited keynote lectures at international scientific conferences and workshops

05 December, 2019

“The ubiquity and accuracy of evidential reasoning”

Philosophy of Science and Formal Methods in Philosophy Conference, University of Gdansk, Poland

18 May, 2017

“Judging forecasting accuracy: How human intuitions can help improving formal models”

The Fifth Reasoning Club Conference, University of Turin, Italy

06 May, 2014

“Evidence assessment: Theoretical issues, experimental results, and directions for future research”

Fourth LSE Graduate Conference in Philosophy of Probability, London School of Economics, UK

09 June, 2013

“What kind of inductive reasoning? How evidence assessment shapes inference”

Formal Epistemology Workshop (FEW) 2013, Rutgers University, USA

30 August, 2012

“The other side of inference: How evidence assessment shapes inductive reasoning”

Frontiers of Rationality and Decision Conference, University of Groningen, Netherlands

15 May, 2010

“Psychology of reasoning meets formal epistemology: Three experimental studies in the framework of Bayesian confirmation theory”

Philosophy of Science in a Forest Conference, Utrecht, Netherlands

Invited talks at international scientific conferences and workshops

13 October, 2023

“How should we measure forecast accuracy? Combining Formal Models and Human Intuition for new Cutting-Edge Scoring Rules”

How Should We Reason? Philosophical and Psychological Perspectives, LMU, Munich, Germany

12 March, 2022

“Forecasting accuracy: From formal models to human intuitions, and back (with a new scoring rule)”

Bayesianism and its rivals, Northeastern University, USA

02 July, 2019

“What can the conjunction fallacy tell us about human reasoning?”

The Machine Intelligence 21 Workshop - Human-Like Computing, Cumberland Lodge, Imperial College London, UK

13 September, 2018

“Evaluating the descriptive accuracy of forecasting models”

Bayes By the Sea Conference, Marche Polytechnic University, Ancona, Italy

30 September, 2017

“Which forecasting model is descriptively most accurate?”

Reasons, Rationality, and Intentional Agency Workshop, LSE, London, UK

02 October, 2014

“Evidence assessment: Recent experimental results and directions for future research”

Workshop in honor of Michel Gonzales, IUAV, Venezia, Italy

04 April, 2008

“The conjunction fallacy in perspective: Evidence and theory”

Workshop on Probability, Confirmation, and Fallacies, KU Leuven, Belgium

Invited seminars at research institutions

28 April, 2017

“Inductive reasoning: Formal models and experimental results”

University of Lausanne, Switzerland

05 March, 2014

“Judging the probability of hypotheses versus the impact of evidence: Which form of inductive inference is more reliable?”

Choice Group Seminars, LSE, London, UK

26 February, 2013

“Evidence assessment”

Munich Center for Mathematical Philosophy, LMU, Munich, Germany

10/11/2012

“Evidence assessment: Bayesian measures and empirical results”

Department of Experimental Psychology, Oxford University, UK

19 May, 2010

“Determinants of confirmation”

London Judgement and Decision Making seminars, UCL, UK

29 January, 2010

“Bayesian confirmation theory: Experimental results and implications”

Philosophy Department, University of Leuven, Belgium

12 January, 2010

“Mind the gap: Physicians’ assessment of patients’ decision weights in localized prostate cancer treatment”

UIBEN meetings, UCL, UK

14 December, 2006

“Scienze cognitive e tutela del consumatore: Il caso dell’effetto attrazione”

Department of Law, University of Torino, Italy

23 April, 2002

“Dynamic decision making”

LSC, University of Trento, Italy

26 April, 2001

“L’effetto di dominanza asimmetrica”

Psychology Department, University of Milano-Bicocca, Italy

24 April, 2001

“Gli effetti di contesto”

Psychology Department, University of Milano-Bicocca, Italy

19 March, 2001

“Modelli decisionali”

General Psychology Department, University of Padova, Italy

24 May, 2000

“L’effetto attrazione”

Psychology Department, University of Milano-Bicocca, Italy

Invited seminars for the general public

11 November, 2023

“Liberi di scegliere?”

PordenonePensa Scienza 2023, Pordenone, Italy

14 July, 2022

“Comprendere il risultato di un test diagnostico e l'efficacia di un vaccino”

CIMeC Città, University of Trento, Italy

18 March, 2021

“La (mancata) comprensione dei risultati dei test diagnostici e dell'efficacia dei vaccini”

Settimana del Cervello, IMT School for Advanced Studies Lucca, Italy

05 June, 2013

“E.R. Medici e ricercatori in prima linea. Ricerca negli ospedali”

Science Café, EURAC, Italy

06 November, 2008

“Illusioni decisionali: Viaggio fra le trappole cognitive in cui possono cadere le nostre scelte quotidiane”

Aperitivi neuroscientifici, University of Trento, Italy

18 May, 2006

“Bias decisionali”

Attrattivamente, University of Trento, Italy
