LINGUA E TRADUZIONE [130478]

BIBLIOGRAPHY FOR ESERCITAZIONI

This literature forms the basis of the *competenze* exams in **June 2024** and subsequent sessions. The January 2024 session, however, is based on last year's programme.

Non-attending students are recommended to buy these editions if preparing alone and to check the Moodle page for these *esercitazioni* regularly for other materials which I will upload periodically.

Coursebooks

The final exam will be based on your knowledge of the three set literature books below and your general English skills to a high C1 level, hence we use the **C1 plus level** of the *English File* series, which is the next book after the one you used in first and second year classes. Please order your copy via **Libreria Drake** as I have already informed them that this class will be using it so they can order it quickly for you when stock runs out. Just click the link below to pre-order a copy.

• English File Gold Advanced Plus 4th ed. with digital pack (2021, ed. Oxford University Press, ISBN: 9780194436076)

Throughout the course we will read and discuss the following novels beginning with *Jane Eyre*, so please order them as soon as possible. I recommend you get a paperback version in addition to any eBook version in order to make notes on the text itself. During the exam you will be allowed to consult a <u>paper</u> version, but not an eBook or PDF file of any books (BES students may be allowed to consult an electronic format depending on their special measures).

- Jane Eyre, by Charlotte Brontë (1847, any edition e.g. Penguin Classics ISBN: 978-0141441146; this is legally downloadable for the first lessons until your book arrives)
- **Reader, I Married Him**, short stories by various authors ed. T. Chevalier (2016, Borough Press of Harper Collins publishers, ISBN: 978-0-00-815060-0 or any other edition)
- The Girl With a Pearl Earring, by Tracy Chevalier (2006, ed. Harper Collins, ISBN: 978-0007232161)

In addition, <u>non-attending</u> students should purchase the following book as it will help you practice specific exercise types tested in the <u>competenze</u> exam (this is <u>optional</u> for <u>attending</u> students). This is highly recommended if you are unable to attend my lessons regularly.

• C1 Advanced Trainer 2, by Felicity O'Dell and Michael Black (2020, Cambridge University Press and Cambridge Assessment, ISBN: 978-1-108-716512 with answers and resources download).
